

THE GEORGE WASHINGTON UNIVERSITY LAW SCHOOL  

---

  
 WASHINGTON DC

**Subjects Tested on State Bar Examinations**

The following list indicates the subjects tested on each state bar examination and the GW Law School courses that best correspond to those subjects, even if the courses do not emphasize the law of any particular state. It is not uncommon for states to change exam requirements from one exam to another. Accordingly, bar candidates must verify the subjects tested against information provided by each state bar for a specific bar exam. Each state web address is provided for your convenience.
