6212-13A Civil Procedure

Prof. Berman

Required:

- Course materials.

First Day Reading Assignment:

Dear Students, I'm excited to work with you as your professor for Civil Procedure during your first semester here at GW Law. Assignment for First Class: Prior to our first-class session together, please read the syllabus for the course and come to class prepared to discuss the Honor Code hypothetical described in the Course Introduction section. Also, please note that one of the assigned texts, *The Buffalo Creek Disaster*, by Gerald Stern, should be read in its entirety before the second-class session. Although that sounds daunting, the book is quite short and reads like a novel (though it is a story of an actual case), so I think you'll find it pretty easy to complete the assignment, particularly if you begin now. See you soon!
