(Note: This first listed book of statutes is a very large and heavy book. Prof. Dubin recommends that students consider buying the smaller, more specialized version for Secured Transactions Courses. The prices are comparable but the smaller version is much easier to transport. Prof. Dubin assures students that the smaller version will have every statute students need for the Secured Transactions course. The larger version has additional material that some students may want. Students: you can check online to determine which version you prefer.)
