Pro Bono Opportunity

Professor Cheh is creating an in-house Pro Bono project, called the “Misdemeanor Project.” Students will assist in identifying and evaluating D.C. misdemeanors that could/should be converted to non-criminal citation offenses. The aim is to respond to the massive over criminalization of behaviors and thus the consequences of arrest and prosecution for minor offenses. Students will be given various DC Code provisions and asked to evaluate them as candidates for decriminalization.

Organizational Meeting

The organizational meeting for the “Misdemeanor Project” will be held on Thursday, September 12, in the Moot Court Room L101 at 4:30pm. All are welcome.

If you are interested but are unable to attend, please leave your contact information with Prof. Cheh’s administrative assistant, Pam Chamberlain, Bldg. E located on 3rd floor, come through glass doors or email her at pchamber@law.gwu.edu.
