Once selected, if you wish to drop the course, please do so on GWeb (you may drop these courses, but not add) or in the Records Office.

Your PRIORITY CLASS SELECTION cannot be used for wait-listed classes. All students will have an equal chance via a lottery.

5. 1L day and evening students: Please check the list of Closed Classes before selecting your PRIORITY class. You must also register for this course via GWeb. The Closed Class list will be posted on the Records Office website by late afternoon on Wednesday, March 21.
6. Evening students will be given preference in evening and weekend classes for which they use their priority.
7. J.D. and LL.M. students may not register for more than 15 credits at the initial registration; students may be allowed to add courses beyond 15 credits during the add/drop period with the approval of the Dean of Students.
8. Full-time J.D. students must take a minimum of 12 credit hours, and must take the majority of their credit hours in day courses.
9. Please do not go to a professor seeking entry into a closed class as the professor cannot give you permission to do so.
10. Check GWeb to see if there are any holds applied to prevent you from registering. A hold can only be cleared by the office that placed the hold on your record. If you have a hold that will not be lifted by the end of your designated registration period, please submit your registration form to the Records Office. Please inform the Records Office when your hold is lifted so that you may be registered for those classes that are still open.
